

FARM ACTION GROUPS

SOUTH WEST SOUTH ENGLAND MIDLANDS NORTH ENGLAND

SOUTH WALES MID WALES NORTH WALES

2019

**Do you want to get a clear understanding of your current business?
Would you like to work with progressive farmers to create a plan to optimise your profit?**
These groups give likeminded farmers a structured platform to learn from each other through farm visits to understand what works and see how to implement it. The groups will focus on all areas of farm profitability, not just grazing!

- ✓ **MEMBERS HOST THE MEETINGS**— Each member takes turn to host, they receive feedback and advice from the group. 4 meetings per year, dates decided by the group.
- ✓ **PRODUCTION BENCHMARKING**—Using FARMAX Software and info from your business Precision Grazing will create 3 models to provide key KPIs. This will enable the business to set targets for improvement.
- ✓ **FINANCIAL BENCHMARKING**— Members will use FarmBench or HCC to calculate and compare their CoP and other KPIs related to profitability. (If agreed by the group).
- ✓ **SPEAKERS & VISITS**— Each group has a fund to invite independent experts to the meetings or to attend specialist events or shows.

COST

1 Year Membership = £839 + VAT (WALES = £600 + VAT)

Payable up-front or spread cost over 12 monthly payments of £72 + VAT (£54 +VAT).

Good advice is worth paying for, by applying the knowledge gained you could quickly make a **10x return**, especially considering the current cost of feed & straw!
